

FOR IMMEDIATE RELEASE

Digital Watchdog® Offers New Converter Plate for Electronic Gang Box Mounting Accessory Supports Multiple Cameras and Simplifies Installations

DWC-GPLT and DWC-GPLT-W Accessories

Cerritos, CA (January 4, 2016) – [Digital Watchdog](#) (DWTM), the industry leader in digital recorders, surveillance cameras and related management software, announces the addition of two new mounting accessories, converter plates for electronic gang boxes. The DWC-GPLT and DWC-GPLT-W accessories will simplify the installation process for many cameras and provide an aesthetic upgrade to compliment many installations.

The converter plate for electronic gang boxes comes in pure white and ivory color options. An additional decorative white plastic ring is included with the accessory for installations where the plate is used with an indoor or mini dome camera. When used with such cameras, the converter plate may remain exposed after installation. The plastic ring discretely covers the remaining parts of the converter plate.

The converter plates are set to work with the following products:

- › MEGApix® PANOTM Dome Camera
- › STAR-LIGHTTM SnapitTM Dome Cameras
- › STAR-LIGHTTM AHDTM Dome Cameras
- › MEGApix® SnapitTM, Surface Mount, and Dome Cameras
- › MEGApix® CaaSTM Surface Mount Dome Cameras
- › STAR-LIGHTTM MPATM Dome Cameras
- › STAR-LIGHTTM 960HTM Dome Cameras
